### **CanCham Bangladesh's 3<sup>rd</sup> Grain Importers' Meet Up focused on Opportunities and Challenges for Grains Import from Canada**

The Canadian High Commissioner in Bangladesh H.E. Benoît-Pierre Laramée stressed the importance of private sector importers of Canadian grains in expanding and strengthening bilateral trade and economic relations between Canada and Bangladesh. The High Commissioner stated that Bangladesh is a very important market for Canadian grains in view of the rapidly growing demand of wheat and other grains, while speaking at the 3<sup>rd</sup> Grain importers Meet up held on 3<sup>rd</sup> August 2017 at a local hotel in Gulshan.

Mr. Masud Rahman, President, CanCham Bangladesh chaired the Meet up which targeted to highlight the various issues with regard to grain imports from Canada. Leading grain Importers of Bangladesh and reputed bankers attended the meet Up.

During the Meet Up A Study on Grain Import in Bangladesh: Canadian Grain Perspective" was presented by Reed Consulting Bangladesh Ltd. Prior to that a survey was conducted by them to identify the constraints associated with the import of grains from Canada.

At the beginning, Masud Rahman, President, CanCham Bangladesh welcomed all and particularly thanked Canadian High Commission for their continued cooperation and support to CanCham Bangladesh for the development of bi-lateral trade and economic relations between our two friendly countries.

The President also showed gratitude to the City Group of Companies and Bashundhara Food & Beverage Industries Ltd. for their kind support in organizing the Meet Up.
